

LTI Mindtree

- **LTI Mindtree** Limited is an Indian multinational information technology services and consulting company based in Mumbai. A subsidiary of Larsen & Toubro, the company was incorporated in 1996 and employs more than 81,000 people.
 - The world is evolving rapidly with transformative technological advancements, dynamic changes in economies, and a shifting global landscape. These changes make it challenging for our people, clients, partners, and communities to navigate the evolving landscape.
 - At LTI Mindtree, we constantly push the boundaries of what's possible by leveraging our expertise, experience, and innovative ecosystem to empower enterprises, people, and communities to build a better Future, Faster. Together.
 - To achieve this, we drive business transformation using what we are good at—technology, talent, and a robust ecosystem of partners—to eliminate all barriers to progress. Our commitment is to a singular goal: to relentlessly ensure our clients become their future sustainable selves ahead of schedule.
-

CORPORATE SOCIAL RESPONSIBILITY

- We are committed to engaging with local communities through initiatives in certain priority areas such as environment protection, education, and empowerment.
- LTI Mindtree is helping many other students in remote locations through virtual learning. Currently, 21,339 students are undergoing virtual learning, 1542 children are appearing for the class 10th exam in 2022, and 337 students are enrolled for NTSE (National Talent Search Exam).
- LTI Mindtree's CSR initiative aims to provide training in income-generating skills like Warli art, tailoring, coconut products processing, among others, to women like Yamini. Till now, 489 women have been trained under this program and 2200 women have been upskilled. These women from financially backward communities will now get a chance to begin a career of their choice and support their families financially.
- LTI Mindtree helped Sundar with the 400 saplings of trees. Like Sundar, many other farmers have benefited from this scheme. LTI Mindtree has planted 6,63,161 trees since FY18. 2.43 lac trees have been planted in FY22 alone. Till now, this drive has generated livelihood for 2335 families of farmers across Maharashtra and Karnataka.
